Thank you Jason. If it turns out that if Wednesday morning works for you, it would be better for us because Nidal would have the opportunity to see the sites. Otherwise, it would be fine if I did Tuesday alone. How about if we make a final decision by COB tomorrow, based on the availability of the water districts to meet with you.

Thanks,

Carol:

That would be fine. We can pick you up.

Can you give me a day or so though? I did just find out the Water Districts have an AWWA conference next week. Some of them may be out of town so our meeting Wednesday morning may be off.

Do you have a preference? If Tuesday simply works better for you, lets just go with that if you want.

Thanks,

Jason
